Inleiding

Het boekje Betonstaal is thans ook te vinden op www.kiwa.nl.
Mutaties zullen periodiek worden doorgevoerd.

De afnemer wil er zeker van zijn dat wat geleverd wordt overeenkomt met wat besteld is. Om dit mogelijk te maken moeten de producten voorzien zijn van een merking. In ieder KOMO productcertificaat is door middel van tekst en afbeelding de wijze van merken weergegeven. Tevens zijn de kwaliteit, leveringstoestand en diameters weergegeven.
